Ref. OUT-114

Pneumatic spray gun washer

Pneumatic washer that cleans two spray guns at once, gravity-feed or suction-feed.

Pneumatic gun washer fitted with two suction nozzles, one short and one long, so two spray guns can be cleaned at the same time. The short nozzle is for suction-feed guns (cup underneath), the long nozzle for gravity-feed guns (cup on top). With no gravity-feed gun to clean, two suction-feed guns can be washed at the same time.

Technical specifications

Working pressure	About 4 to 8 kg/cm ² (57 to 114 psi)
Recommended air hose	Diameter over 8 mm
Capacity	2 guns at the same time
Dimensions	695 × 510 × 720 mm

How to use

- Washing gravity-feed spray guns (cup on top)
- Washing suction-feed spray guns (cup underneath)
- Cleaning at the end of a paint job
